

WHITTIER COLLEGE LILLIAN SLADE AQUATIC CENTER ADDITION

The Whittier College Lillian Slade Aquatic Center Addition involves replacing the existing non-competition pool and providing a new, 43-meter competition pool for the college. The existing site is very compact and required the design to include access modifications as well as the use of 5,500 square foot, 2-story mechanical equipment and support facility.

Square Feet: 5,500
Construction Cost: \$6,100,000
